## ABOUT THE ISABELLA CORNER DAYBED

Thank you for your interest in our Isabella Corner Daybed. We developed this informational packet to take the guesswork out of making your selection and placing your order. However, if you have questions not addressed below, please call us at 800-535-8776. One of our representatives will be glad to assist you.

### DESIGN & CONSTRUCTION

Its clean, tailored lines and pleated skirt give our Isabella Corner Daybed the look of a sofa combined with the versatility of a bed. Frame is handcrafted of hardwood with track arms and fully upholstered with welted skirt all the way around, so you can float it away from walls. Each component comes with link springs to support a twin size mattress (not included). Assembly required. Mattress Cover sold separately.

### UPHOLSTERY

Order your Isabella Corner Daybed with any of our extensive curated fabrics online or send us your own fabric for a truly custom look.

## ABOUT BALLARD'S "CUSTOMER'S-OWN-MATERIAL" SERVICE

What does the "Customers-Own-Material" Service mean? If you enjoy a truly custom décor, we allow you to combine your choice in fabric with the quality of our products. This allows you to supply the material with which your furniture will be made.

### SELECTING YOUR FABRIC

What fabrics will we NOT accept?

- Leather
- Silk
- Vinyl
- Fabric with flaws
- Sheets
- Rugs
- Quilted pieces
- Striped patterns or plaids for tufted furniture (tufting process distorts the stripes)

Other helpful things to know when selecting your fabric:

- If your fabric features a central design, we will make every effort to center it on your item, if you specify on the order form.
- Any stripes will be arranged vertically, unless you request horizontal striping.
- We only accept continuous yardage.
- Contrasting fabrics only accepted on select items (please call for details).
- **Inadequate fabric WILL delay your order.**
- **We reserve the right to refuse the fabric if it will compromise the quality of the piece.**
- **Many customers choose a Ballard Fabric-by-the-Yard for their COM; please call for information or see our selection online.**

### PREPARING AND SENDING YOUR FABRIC

How should you prepare the fabric you send?

- Inspect the fabric for flaws.
- See the attached page for yardage requirements; Yardage must be on a bolt, NOT folded.
- Measure carefully (excess fabric cannot be returned).

How do you order this service and what to do then?

- Complete the attached form and enclose it with your fabric (must have this form to proceed with your order).
- Please cut a small swatch (at least 1" sq.) and staple to your order form with the correct side facing up (this precautionary measure helps insure that your fabric is identifiable to the order form in the unlikely event they were to become separated).
- Please indicate on your order form if your fabric will be sent in separate packages.
- Please make sure the mailing label of your package has the exact address printed on the order form (for your convenience, you may clip out the pre-printed label on the order form).
- Please also provide your name, return address and a phone number where you can be reached.
- An estimated delivery time is available when you place your order.
- Fabric and completed order form must be received before we can place your order.

Please note: All COM furniture is made to order. Therefore, these items are non-returnable.

**If you have ANY concerns not addressed here, Please call our Product Specialists at 800-535-8776.**

## ABOUT “RAILROADED” FABRIC IN CUSTOM UPHOLSTERY

To help you select fabric that will result in a top-quality custom look for your COM upholstered furniture, we’ve put together the additional guidelines below.

### NON-RAILROADED FABRIC:

Generally, fabric patterns are printed or woven vertically along the bolt. Since most fabrics are 54" wide, a sofa upholstered in a vertical-print fabric will usually have two seams, as shown in Figure 1.  
note: upholstering with vertical-print fabrics generally requires more yardage than is needed with horizontal-print fabrics; see below.)

Figure 1

### RAILROADED FABRIC:

Sometimes, the fabrics pattern is printed or woven horizontally across the bolt (see Figure 2).

Figure 2

In upholstery terminology, this means that the fabric runs across the furniture horizontally, thereby eliminating vertical seams and providing a more professional look, as shown in Figure 3.
