

PRODUCT NAME: Adjustable String Light Stand

ITEM NUMBER: AO154

ASSEMBLED DIMENSIONS: 86"H x 16"W x 16"D

REQUIRED TOOLS:

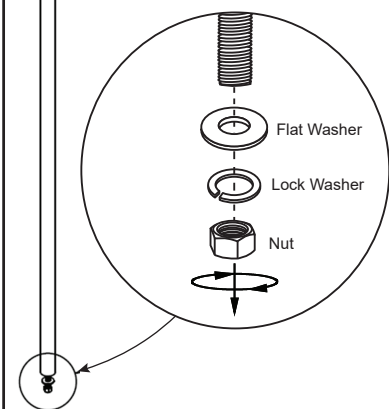

Wrench (included)

Ltr.	Qty.	Components
A	1	Adjustable Post (A)
B	2	Base Plates (B) (B1 and B2 - Labeled)
C	1	Wrench (C)
D	4	Stakes (D)
E	1	Lock Buckle (E)

1

Remove Nut, Flat Washer and Lock Washer from threaded end of Adjustable Post (A)

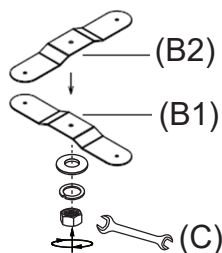

2

Thumb Screw

Fit Base Plates (B) onto threaded stud followed by Washer and Nut. Fully tighten using Wrench (C).

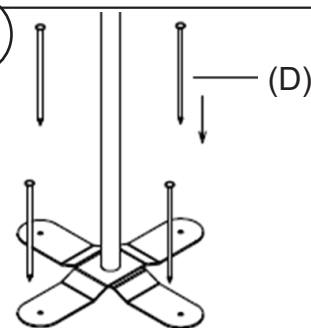

Open and clip Lock Buckle (E) onto top of Post.

Install B2 on TOP of B1. B2 is taller/higher than B1.

Replace Flat Washer, Lock Washer and Nut. Fully tighten using Wrench (C)

3

Drive Stakes (D) completely into ground. Secure to other surfaces using appropriate hardware. (not included)

FUNCTION

Loosen Thumb Screw and pull Post up. Tighten Thumb Screw to secure. Attach Light String (not included) by clipping into Lock Buckle (E).

PRODUCTS ARE NOT INTENDED FOR COMMERCIAL USE.

UPDATED: 10-13-2022

Cleaning and Care

Periodically wipe down with a damp cloth. Securely stake into ground or secure to surface using your own hardware.
