

PRODUCT NAME: Slayton Floor Lamp

ITEM NUMBER: LL367 |

ASSEMBLED DIMENSIONS: 62.75"H x 8" Diameter

IMPORTANT SAFETY INSTRUCTIONS:

- This Lamp has a polarized plug (one blade is wider than the other) as a feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fully fit in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not alter the plug.
- For your safety, please read instructions carefully and completely before beginning assembly or installation.
- Product must be installed according to applicable code(s) by a person familiar with its construction and operation.
- This Lamp socket rated up to 100 Watt MAX Type A Bulb (not included). LED recommended.

WARNING:

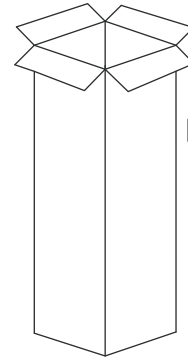

- Deviation from assembly instructions may cause risk of fire or electric shock.
- To reduce risk of personal injury, always turn off fixture and allow bulb to cool prior to replacement.
- Do not touch or look directly at illuminated bulb.
- Keep flammable material away from illuminated bulb.

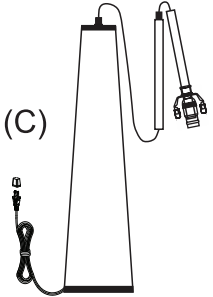

Unplug lamp prior to installation or removal.

Remove all parts, hardware and protective packaging from carton and carefully arrange on a clean, level surface.

Harp (D) / Finial (E)
Bulb (Sold Separately)

Lamp Body (C)

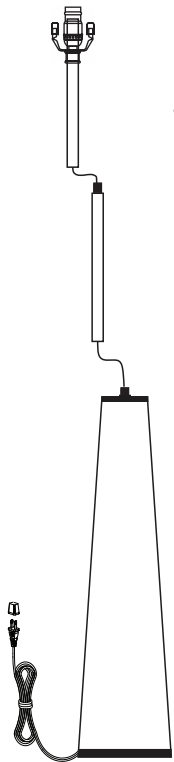

Prevent accidentally discarding small parts or hardware. Retain all carton contents until assembly and installation are complete.

Approved Location for Use: Dry Indoor Environment

Assembly Time: 10 Minutes

HARDWARE AND COMPONENTS

INCLUDED:

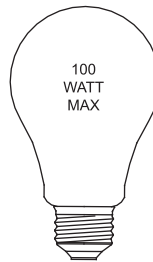

1 - Socket Assembly (A)

1 - Bottom Stem (B)

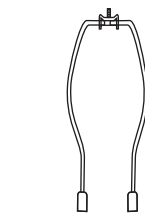

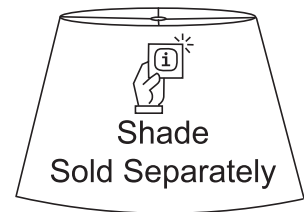

1 - Base (C)

NOT INCLUDED:

(1) - 100 Watt Max
Type A Bulb

*LED recommended.

WARNING
FIRE HAZARD

UL Standard requires shade to be open on both top and bottom.

Critical Radius is distance between bulb center and side of shade. For this lamp it should NOT be less than *3 1/2"

*Based on a 100W Incandescent Bulb

Cleaning and Care

Periodically wipe Lamp with a soft, dry cloth.
Avoid harsh or abrasive chemicals as finish damage may result.
