## STEP 1: Leg Assembly

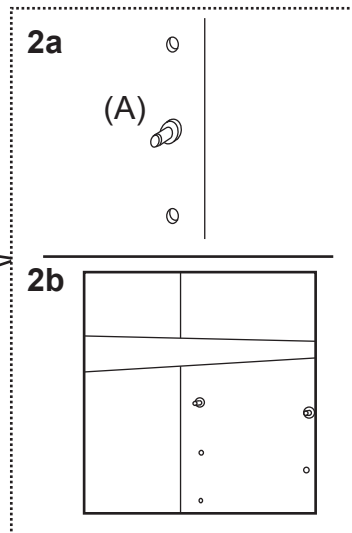

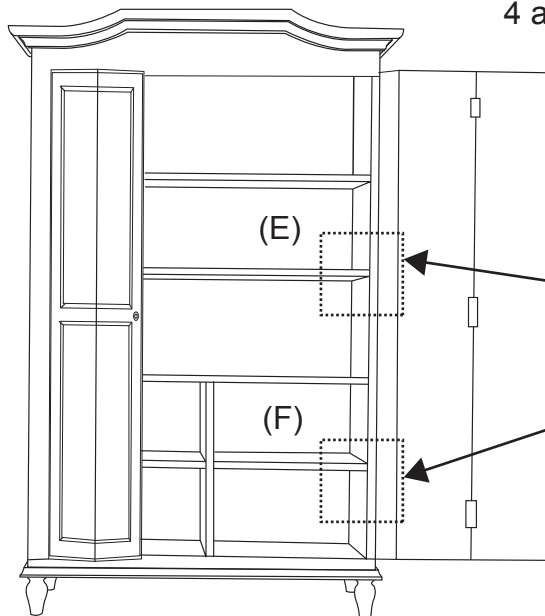

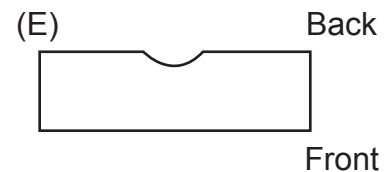

Lay the Armoire on its back to screw in the legs and protect the crown molding from damage. When setting the Armoire upright, DO NOT put pressure on the legs.

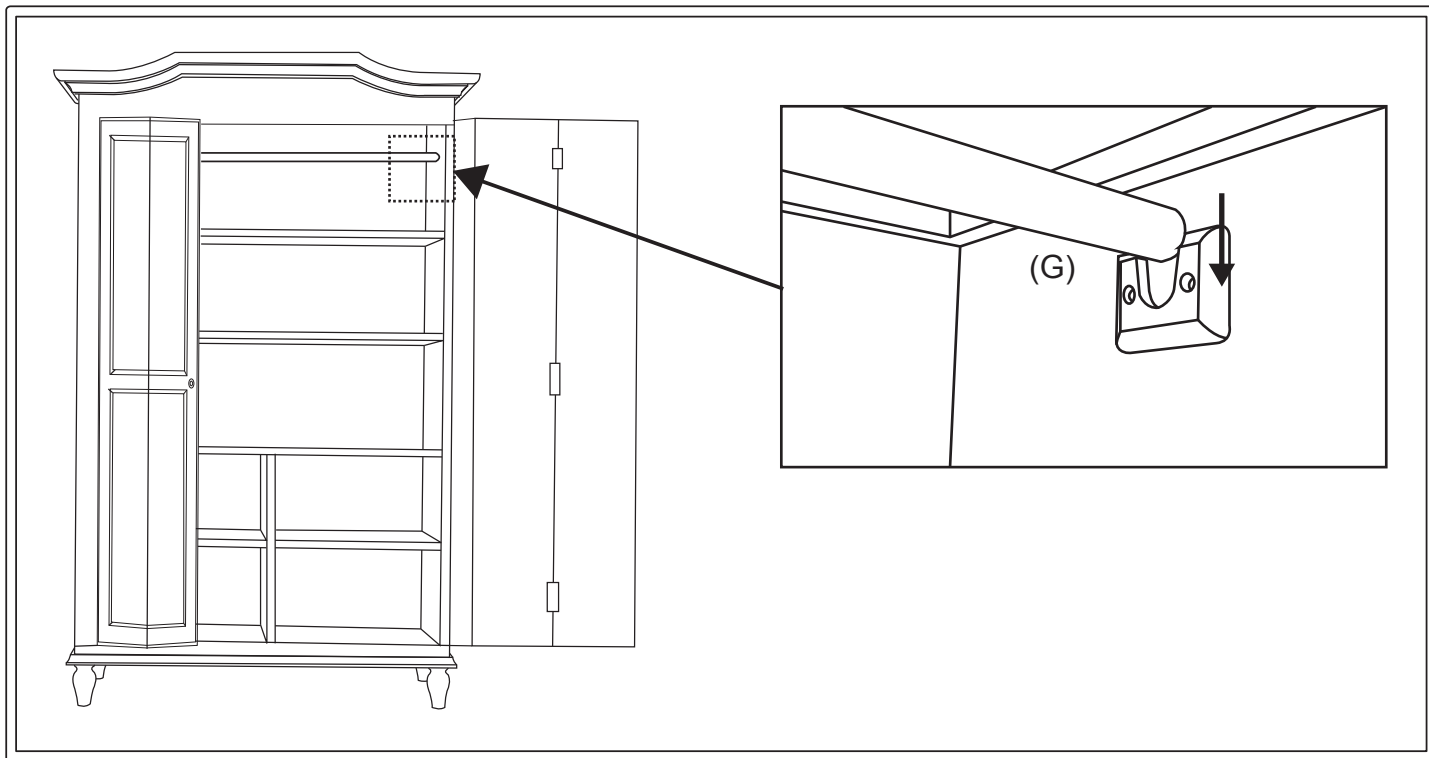

## STEP 2: Shelf Assembly

Place Shelf Supports (A) at desired shelf height. Then place Top Shelves (E) and 1/2 Shelves (F) on supports.

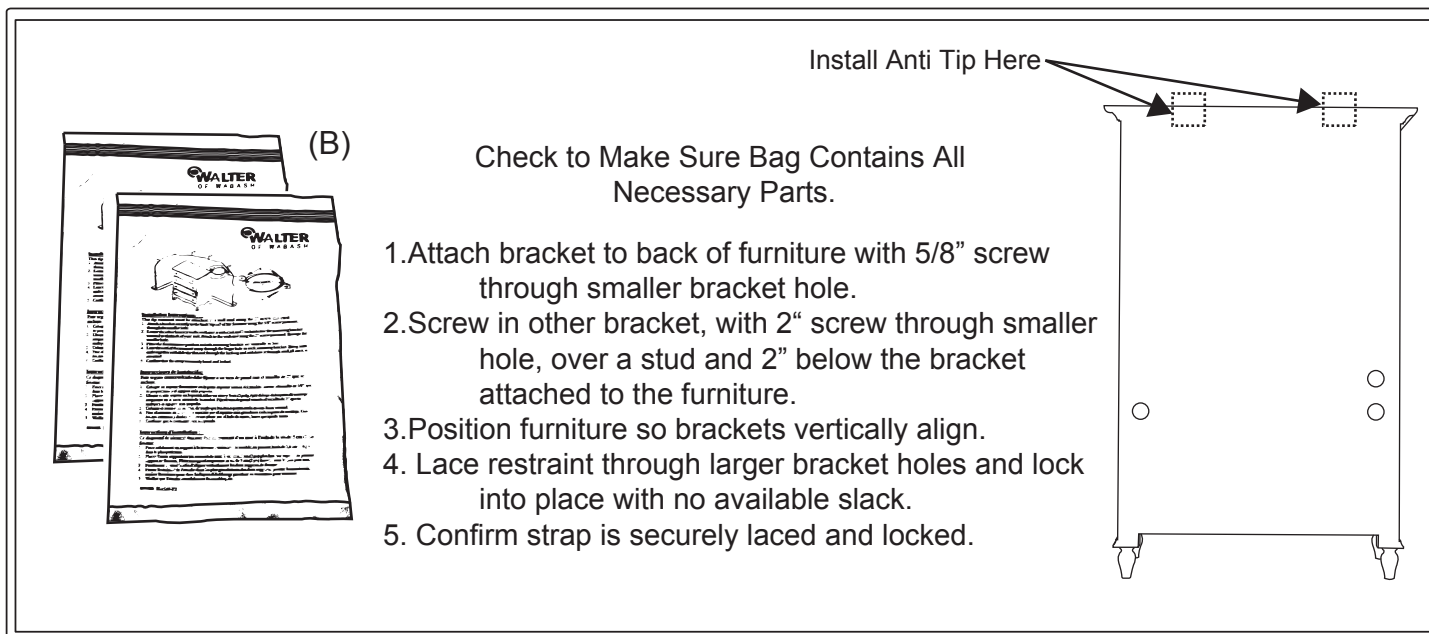

There are 5 shelves:  
4 adjustable and 1 fixed.

### STEP 3: Hanging Rod Assembly

### STEP 4: Anti Tip Installation

### Cleaning & Care:

DO NOT use alcohol based products or spray polisher as they can damage the finish.  
Dust with soft cloth. One to two times monthly, apply beeswax polish as needed.  
Finish can be affected by heat or extended contact with oils or wine.
