

BALLARD DESIGNS®

ABOUT THE X-BENCH

Thank you for your interest in our X-Bench. We developed this informational packet to take the guesswork out of making your selection and placing your order. However, if you have questions not addressed below, please call us at 800-535-8776. One of our representatives will be glad to assist you.

DESIGN & CONSTRUCTION

Great paired at the foot of a bed or as extra pull-up seating, our classic X-Bench is bench made of hardwood, generously padded in fiber-wrapped foam, and expertly upholstered in North Carolina with self-welt seams.

UPHOLSTERY & FINISH

Customize your X-Bench in hundreds of fabrics from our beautifully curated collection, including family-friendly performance styles, or send us your own.

ORDERING AND DELIVERY

To place an order, please call 800-535-8776.

ITEM	ITEM#
X-Bench without Nailheads	UB351
X-Bench with Brass Nailheads	UB352

BALLARD DESIGNS®

ABOUT BALLARD'S "CUSTOMER'S-OWN-MATERIAL" SERVICE

For a truly custom look, we'll expertly upholster your favorite Ballard Designs piece using your own material – just follow the guidelines below. Our Product Specialists are standing by to answer any questions and to help place your COM order.

SELECTING YOUR FABRIC

What fabrics will we NOT accept?

- Leather
- Silk
- Vinyl
- Fabric with flaws
- Sheets
- Rugs
- Quilted pieces
- Striped patterns or plaids for tufted furniture (tufting process distorts the stripes)

Other helpful things to know when selecting your fabric:

- If your fabric features a central design, we will make every effort to center it on your item, when specified on the order form.
- Any stripes will be arranged vertically, unless you request horizontal striping.
- We only accept continuous yardage.
- Contrasting fabrics only accepted on select items (please call for details).
- **Inadequate fabric WILL delay your order.**
- **We reserve the right to refuse the fabric if it will compromise the quality of the piece.**
- **Many customers choose a Ballard Fabric-by-the-Yard for their COM; please call for information or see our selection online.**

PREPARING AND SENDING YOUR FABRIC

How should you prepare the fabric you send?

- Inspect the fabric for flaws.
- See the attached page for yardage requirements; yardage must be on a bolt, NOT folded.
- Measure carefully (excess fabric cannot be returned).

How do you order this service and what to do then?

- Please call 1-800-535-8776 or email com@ballarddesigns.net to request an order form. (You must have this form to avoid delays).
- Please cut a small swatch (at least 1" sq.) and staple to your order form with the correct side facing up (this precautionary measure helps ensure that your fabric can be matched to the order form in the unlikely event they were to become separated).
- Please indicate on your order form if your fabric will be sent in separate packages.
- Please make sure the mailing label of your package matches the address printed on the order form.
- Please also provide your name, return address, and a phone number where you can be reached.
- An estimated delivery time is available when you place your order.
- Fabric and completed order form must be received before we can place your order.

Please note: All COM furniture is made to order. Therefore, these items are non-returnable.

If you have ANY concerns or would like to place an order, please call our Product Specialists at 800-535-8776.

BALLARD DESIGNS®

ABOUT “RAILROADED” FABRIC IN CUSTOM UPHOLSTERY

To help you select fabric that will result in a top-quality custom look for your COM upholstered furniture, we’ve put together the additional guidelines below.

NON-RAILROADED FABRIC:

Generally, fabric patterns are printed or woven vertically along the bolt. Since most fabrics are 54" wide, a sofa upholstered in a vertical-print fabric will usually have two seams, as shown in Figure 1.
note: upholstering with vertical-print fabrics generally requires more yardage than is needed with horizontal-print fabrics; see below.)

Figure 1

RAILROADED FABRIC:

Sometimes, the fabrics pattern is printed or woven horizontally across the bolt (see Figure 2).

Figure 2

In upholstery terminology, this means that the fabric runs across the furniture horizontally, thereby eliminating vertical seams and providing a more professional look, as shown in Figure 3.

Figure 3
